(FSSB), Department of Horticulture, BAU,  
Mymensingh, Bangladesh  
([marahim1956@yahoo.com](mailto:marahim1956@yahoo.com))

### First Announcement

## International Conference on “Fruits for nutrition, poverty reduction and environment”

March 30-31, 2010

At Bangladesh Agricultural University,  
Mymensingh, Bangladesh

### Organized by

**Fruit Science Society of Bangladesh  
Department of Horticulture, BAU**

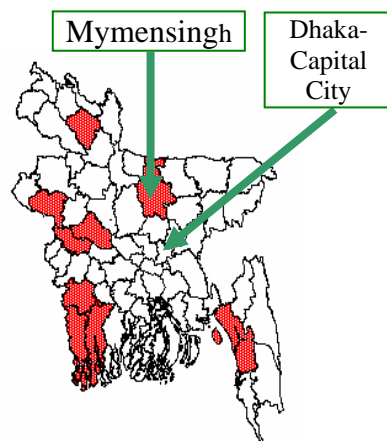

### Host Organization

**Bangladesh Agricultural University,  
Mymensingh (BAU), Bangladesh**

## Location and environment

Bangladesh is situated to the eastern side of the Indian subcontinent flanked by India in the West, North and North-East and Myanmar to the South-East and Nepal slightly removed to the North. Bangladesh Agricultural University (BAU) is 120 km away from Dhaka, the capital city of the country and is situated between 24°75' North latitude and 90°50' East longitude. As a tropical country, March is the spring season when day temperature rises up to 30°C; while night temperature falls to 20°C. During this time, one can easily move with simple and light dress. BAU has a well equipped international guest house with modern living and internet facilities.

## Submission of Abstract (s)

Deadline for submission of Abstract and Registration form: 15 February, 2010

## Deadline for submission of full paper (s) 28 February, 2010

### Preparation of Abstract

Please type your abstract indicating the session where you would like to present your paper. The whole text must not exceed 200 words. The letter size should be 12 point. In case of more than one author please bold the name of presenting author.

### Preparation of full papers

Manuscripts should be type written in double space with 2.54 cm margins on all sides. The total number of pages should not exceed 15 including tables and figures. Each paper should contain: Title, Name(S), Address of the authors(s), Abstract, Introduction, Materials and Methods, Results and Discussion, Acknowledgement (if any) and References.

### Instructions for Posters

The poster boards measure 120 cm high by 90 cm wide and will accept thumb tacks. Poster material must be prepared in advance and should be large enough to be viewed from a distance of 90 cm. Each poster must have a top label indicating the title, the name(s) of the authors(s) and their affiliations(s). Drawings and charts should be simple with bold lines. Materials for mounting posters will be made available by the organizers.
